

## Typical Performance Data

| FREQUENCY<br>(MHz) | INSERTION<br>LOSS<br>(dB) | RETURN<br>LOSS<br>(dB) |
|--------------------|---------------------------|------------------------|
| 0.20               | 2.00                      | 6.79                   |
| 0.50               | 1.19                      | 13.47                  |
| 1.00               | 0.94                      | 16.19                  |
| 2.00               | 0.75                      | 18.70                  |
| 5.00               | 0.61                      | 22.34                  |
| 10.00              | 0.58                      | 23.84                  |
| 100.00             | 0.86                      | 17.64                  |
| 241.48             | 1.23                      | 11.38                  |
| 300.00             | 1.26                      | 10.05                  |
| 500.00             | 2.53                      | 6.59                   |
